Subject: Re: NGS motion for amended schedule and format

Dan,

Given the time constraints we are under with the holidays, on behalf of all of the intervenors, you can represent in your motion that "each of the Intervenor reserves its position on the motion at this time and reserves the right to file a response to the motion."

Happy holidays.

All -- as I informed all of the petitioners on Monday, the United States and the Hopi Tribe are filing a motion requesting three items: a briefing schedule beginning on March 16; a period of 60 days between petitioners' briefs and the United States' brief, regardless of when petitioners' briefs are filed; and a briefing format requiring petitioners in Nos. 14-73101 and 14-73102 to file a joint brief. Attached is a draft motion; please let me know your position today (Janette and Amanda, please let me know if you still oppose all three of these requests).
